(Designation) President, District Board, South Kanara.

To The Secretary to the Government of Madras,
Education and Public Health Department.
Madras.

Sir,

In the G.O. (R) quoted above, a well at Angadymogar, (item No.12 under list No.13 annexed to G.O.No.2583,P.H., dated 3-10-1935) was sanctioned to be executed with the aid of Jubilee grant.

2. As the site of this well is a private land, and the owner thereof is not willing to part with it free of - compensation, the Board cannot sink this well and has to - select some other place.

3. I consider that a well at Kunjal, a village in Udipi Taluk, is quite essential. This is a place where the

P.T.O.

cattle fair is held several times in a year and there being no ~~jubilee~~ public wells in the village, water scarcity is keenly felt by the public all through the summer months. Both the Health ~~Department~~ and the Veterinary Departments have been urging the Board to sink a well in this locality.

4. An estimate amounting to Rs. 780/- has been sanctioned by the Board for the above well. I request, therefore, that under para 5 of the G.O., Government may be pleased to permit the Board to sink a well at Kunjal in lieu of the one at Angadymogar. The conditions laid down in para 3 of the G.O. will be complied with.
